Gentlemen:

On March 16th, the writer sent you a letter, with self addressed return envelope enclosed, asking you whether you would be interested or would know of someone who would be interested in a collection of Grecian coins.

A list of the coins was mailed to you, but up to this writing, I have not received your reply.

Would you be kind enough to let me know whether you are interested now, or could you give me any information as to whom I may write to.

Thanking you for any information you may have to offer, me, I remain,

Yours very truly,

I.E. Mitchell
